Crusader Trails

Along the path of life
We all make our set of footprints
Some bigger than others,
Some making deeper tracks,
But each set is equally important.
We, here at Cathedral,
Strive to create our own paths.
Some to be a leader of others,
Breaking the trail, the explorers,
Others to follow behind,
Making the new way safe, the settlers,
But each group is equally important.
Cathedral has given us two strong legs
With which we begin our journey.
Where the paths lead us is our decision
For the possibilities of new trails
Are before us Always
But the paths trod before
Will be present forever.
Let us make the best of the path of life
For each set of footprints found along the
pathway is equally important.

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to
love,
With whom we've laughed and
cried.
Remembering the fun and laughter,
The problems and the fears,
And watching all our memories
grow
Through our high school years.
The memories of the dances
And the new friends that we've met.
Vacations, teachers, talking
And exams we'd rather forget.
Yes high school days are precious
but brief
Where all your dreams come true:
It is not the end, but the beginning
Of a life we'll start a new.

Only as high as I reach
can I grow
Only as far as I seek
can I go
Only as deep as I look
can I see
Only as much as I dream
can I be

To each his own
And to each his faults
Yet together we shall strive for a better future.
For today is better than yesterday;
Not as good as it will be tomorrow.
But if we don't work together
All our anxieties and expectations
Will turn to sadness and sorrow.
And if ever there comes a time
When we are knocked down
Together, united we will pick ourselves up,
And we will strive to go on.
Together we will go on
And we will not quit.
We'll learn from our mistakes
And advance ourselves bit by bit,
And as we reach the top
We will not change
For we are not better than others;
And they are not lesser persons to us;
We are all equal.
And we must all work together
Through the times; be they bad or good.
And together we shall work as one
Striving, reaching for all sthat is life's giving
And taking things as they come
Unless they be unfair;
Then we will work to change them.
Everyone will share in times of happiness,
And console each other in times of sorrow.
And we shall always remain friends
No matter where life takes us
For this is the key to our success!

The Senior Class of 1984 is not unlike those of the past. We are reluctant to go on, yet we are anxious to leave. We have been victims of the college-planning blues, the teachers' warped jokes, Erma's constant questions, the cafeteria food, and of course, Senior slide. Here at CHS we will spend our last year, an ending, and also a beginning. We will be proud to say we are graduates of Cathedral High School. You've given us a great education, plus a very special family. In the mass confusion of all the graduation ceremonies and parties, many of us may forget to tell the most instrumental institution thus far in our lives, just what it has meant. So, on behalf of the Senior Class — THANKS CHS!

When I'm With You

Memories filled the air at this year's Homecoming with the theme "When I'm With You." The exciting and thrilling week started our with an overwhelming pie pep-fest on Friday to announce the Homecoming Royalty and to get everyone fired up for the 1983 Homecoming Week. Monday was a day of suspense with Coronation Night.

Lori Schmit was crowned our 1983 Homecoming Queen.

The week continued with our parade on Thursday. The music was provided by Cathedral High School Marching Band. This year's floats had to be the most creative and unique at that. Friday was the night of the "Big Game" — CHS vs. Orono. This year's Homecoming had many special memories to it.

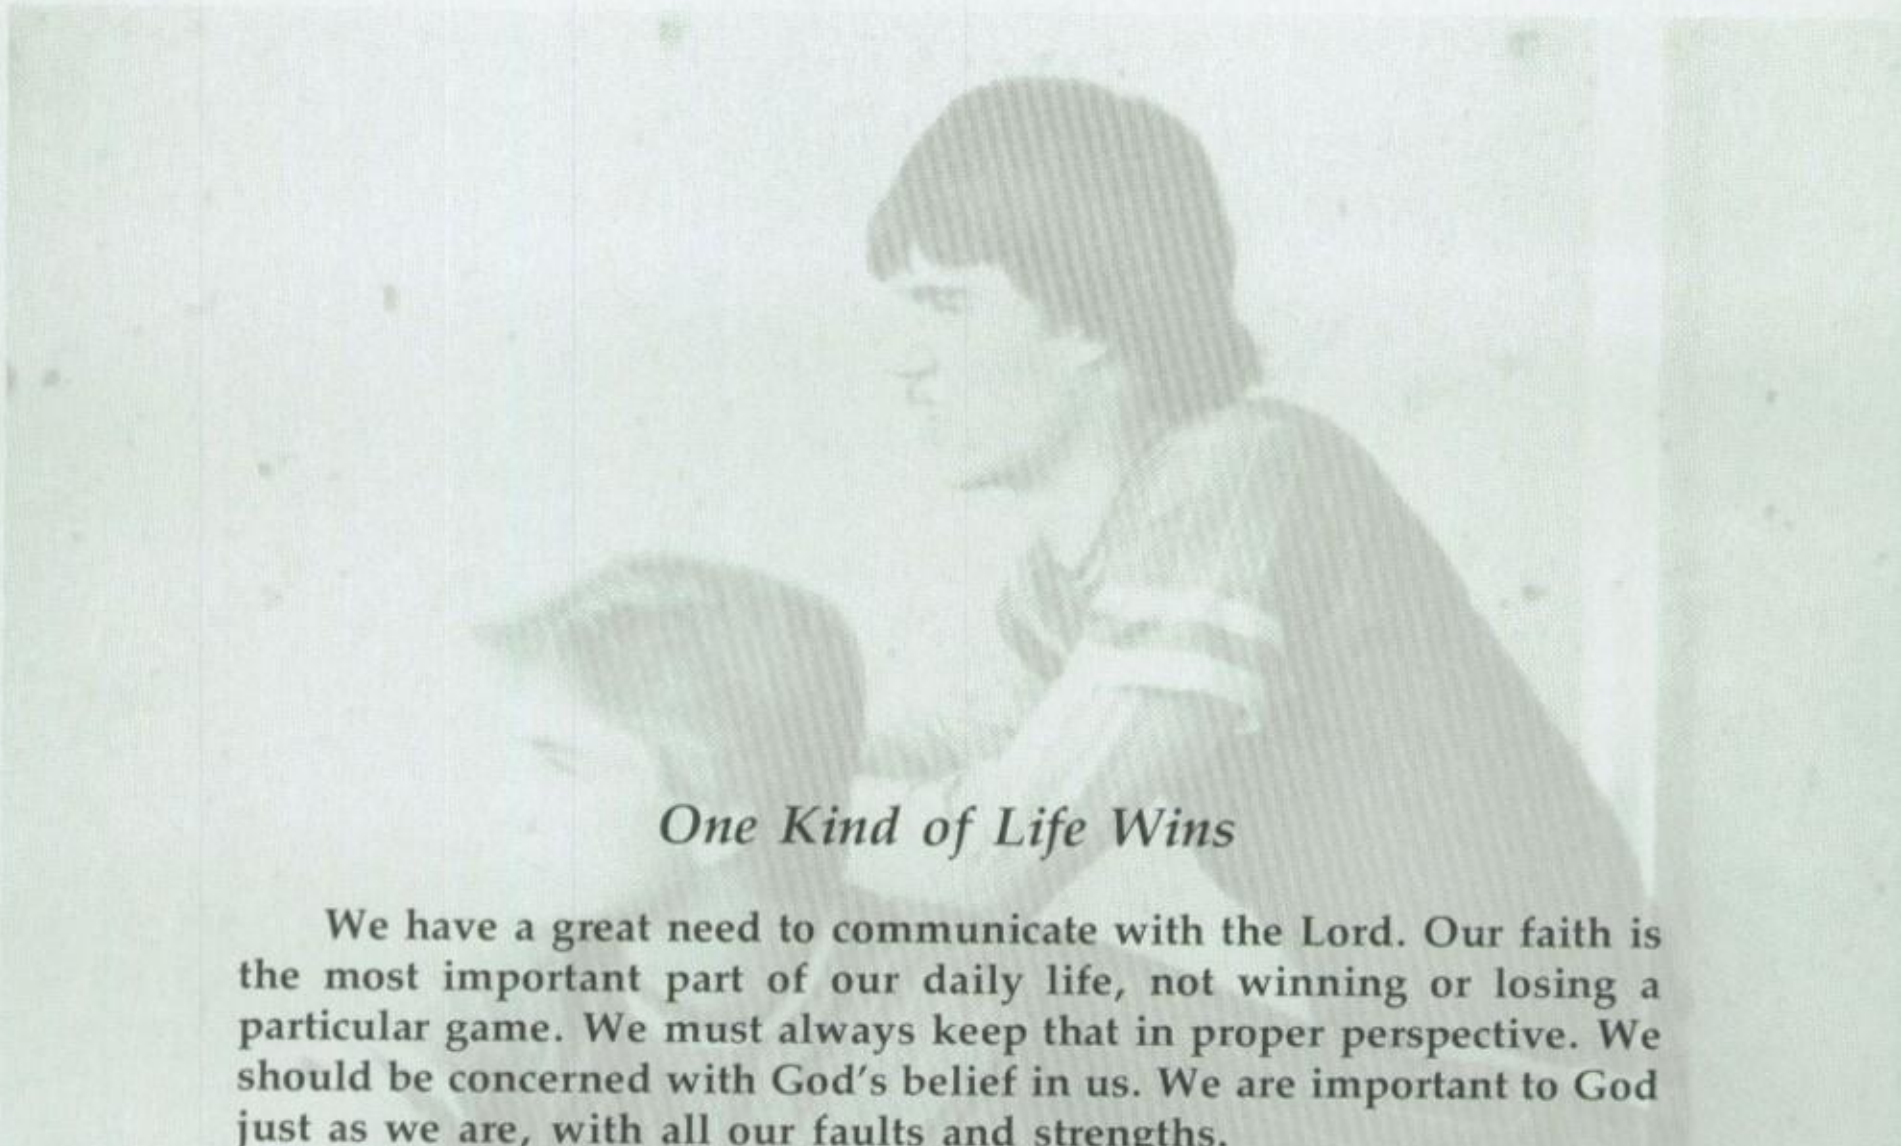
ATHLETICS



One Kind of Life Wins

We have a great need to communicate with the Lord. Our faith is the most important part of our daily life, not winning or losing a particular game. We must always keep that in proper perspective. We should be concerned with God's belief in us. We are important to God just as we are, with all our faults and strengths.

No coaches, athletes, or fans can respond to the pressure and strain of competition unless they are spiritually strong. We must cultivate the wholesome discipline of spirit, mind, and body that will build character worthy of the Master's calling. This is not easy.

In one way or another we are all seeking success. Success is the peace of mind in knowing that we did our best to become the best that we are capable of becoming. Although we want to win, we win always when we have done our best to prepare to win.

Athletics is not the ultimate. It is of small importance in comparison to the total life that we live. One kind of a life that truly wins is one that places faith in the hands of the Savior. Winning scores, great reputations, and material gains are meaningless in the eyes of the Lord because He knows who we really are and that is all that matters.

The girls' swim team once again had a victorious season with a successful record of 12-1. They were led by third year coach Mark Lawrence and also by Captains Mary Bauer and Lynn Torborg. For the third consecutive year, the CHS swimmers were Central Gopher Champions. They also placed third in Regions and qualified five individuals for the State meet. The swimmers put in many hours of hard work and dedication but still allowed time for fun. The 1983 girls' swim team stands proud!

The CHS girls' tennis team had an exceptional year, full of talent , fun, many wins and promise for years to come. With a record of 6 wins and 9 losses, there was much improvement over last year's record. The doubles teams had a very good year with Kris Hartman and Jan Poganski at Number 1, Kay Sommers and Dena Williams at Number 2. Five seniors are now graduating after a fine season, leaving the top spots open. With the potential of our Junior Varsity and hopefully returning Coach Sue Wielinski, we're looking forward to many more successful seasons.

Senior idol, Pat "Nitro" McCarthy, advanced to the State meet. The girls team, although lacking age, achieved excellent results through their hard work and youthful enthusiasm. Bump makes his move!

The 1983-84 Crusader football team had to overcome many obstacles in acquiring its undeserved 3-6 record. One of those obstacles was a loss of twenty-four seniors from last year's squad. The leadership by co-captains Brian Primus and Mike Blocher guided the team through some difficult times. However, this year's version of the Crusader football team carried on the strong tradition of unity, desire and sportsmanship on the playing field.

Follow the leader.

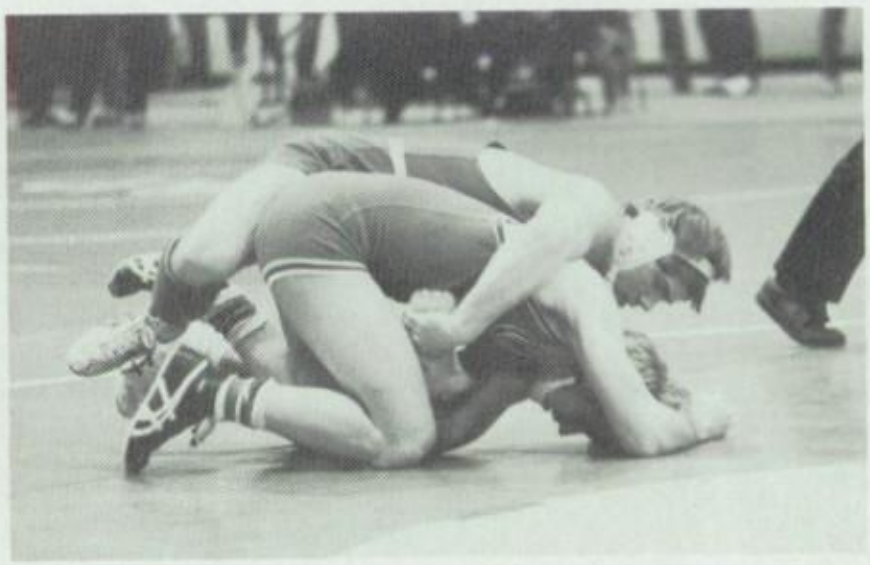
SALUTE

Hey boys, cut that out!



I love you!

The final wrestling season has come and gone for Cathedral High. The team's final year ended with a respectful record of 1-1-??????. The team, under seven-year coach Dale Wahnschaffe, had a couple shining stars, not surprisingly. Co-Captains Randy Dorn and Chuck Chmieleski advanced to the Region 5A tournament by placing third and fifth respectively in District 19A action. All-Conference honors also went to Chuck Chmieleski. We have a lot of fine wrestlers and we'd like to salute them for all their hard work.

Oh shoot, I forgot deodorant.

Ouch!

The team that sins together, wins together.

Wrestling Cheerleading

I've lost my head over all this excitement.

Let's call it transition! A new coach and a young and inexperienced team. The 1983-84 girl's basketball team started their season with the speed of molasses, but ended their 9-13 record season with a full head of steam!

The Christmas tournament in Brainerd was the turning point. First year Coach Denny Johnson had finally made believers of the team and school. The could win! His enthusiastic coaching provided the necessary interest, desire and excitement that's required for a winning team. Lori Schmit, Sara Goodrum, and Kim Mackinac provided leadership and a spirit of dedication for the team.

Consistent play managed to get the team to Districts, ending the season with a fourth place finish. Frustrating as it was for the coach and players, the girls are excited about the return of 12 out of the top 15 players for next season.

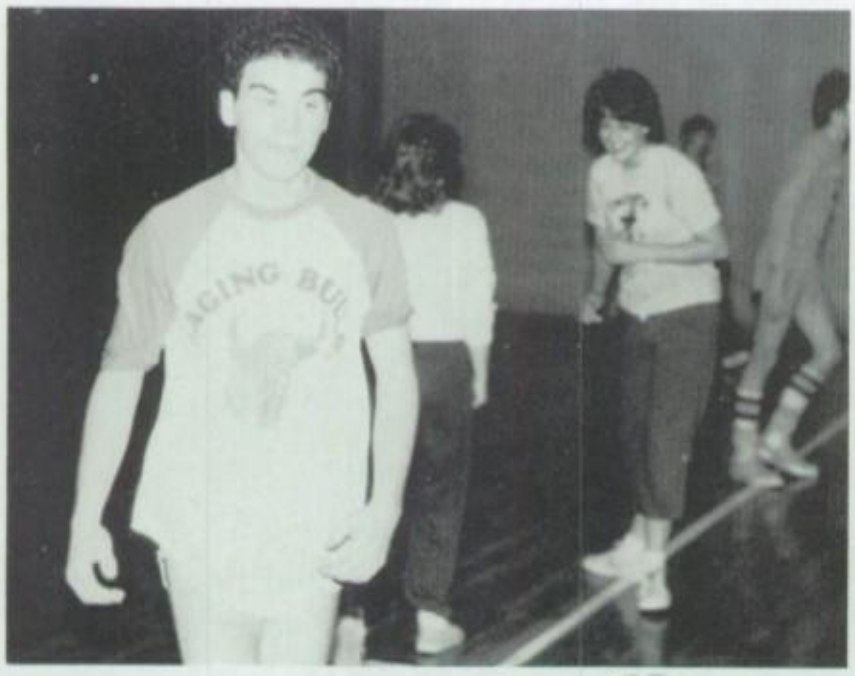
Intramural Basketball

This year's intramural basketball was divided into two sections, red and blue. Each section consisted of six very awesome teams. The Red Section was made up of the: Flat Irons + 3, Bulls, Faculty, Bull Shooters, Phi Gamma, and Sudden Death. The Blue Section was made up of the: Druids, Little Lites, MD's, Taste Buds, Bearded Clamsmen, and The Kings.

The boys championship game was between the faculty and the MD's, and the faculty came out with a slim win. The girls division was won by the Flat Irons + 3 due to a forfeit by the Little Lites. This season moved along smoothly, and the basic feeling about Intramural was that it was a lot of fun.

This is fun!

Borash makes the moves!



We got beat by those girls!

Cross-Country Ski Team

CROSS COUNTRY SKI TEAM — ROW 1: L. Otto, M. Weyrens, J. Carlen, Coach, M. Tabor, K. Anderson, D. Weiber, E. Gadbois, P. Noonan; **ROW 2:** K. Kinzer, J. Keinz, B. Neeser, L. Colombo, A. Leahy, M. Noonan, W. Stark, and K. Hansen.

Judging from their record, the ski team may not look too impressive, but inside they're definitely "lean, mean fighting machines." Having to face Rau Field every day for practice may not be the most exciting way to spend your afternoon, but this great group of individuals yakes it in stride and tries to make the best out of it. Actually, though, this was probably the best season they have ever encountered. Kathleen Anderson, Kelly Hanson, Ellen Gadbois, Laura Colombo ands Molly Weyrens led the girls through a pretty decent season, while Andy Leahy, Jim Carlin, Mike Noonan, Jim Kainz, Brent Neeser and Wayne Stark paced the boys. As for post season honors, Mike Noonan participated in the Junior Olympics held in Lake Placid, New York and came home with a third place medal for anchoring their relay team, while Molly Weyrens made it to the State meet and placed 14th. With this in mind, the ski team, along with their notorious coach Marty Tabor, should be more "leaner and meaner" than ever by next year.

"This is harder than I thought!"

So what's it like at the top.

Now to pick up the poles.

All bundled up and nowhere to go.

Laura, quit copying me!

Kathleen, quit copying me!

Smile for the camera, Andy.

One lonely Crusader at the top.

Dedication . . . Hard Work . . . Determination . . . Team Unity. Realizing these are the main ingredients of a winning team, the 1983-84 baseball team has strived many hours to have these elements become their team nucleus. Led by nine returning lettermen, the team entered the season with a strong experienced player at each position and an extremely capable bench to back up the starters. Veteran Coach Bob Karn has provided the necessary drills to get the team well-prepared both physically and mentally, and, although Co-Captain Dave Hengel and Steve Guggenburger are considered the team leaders, each player on the team has shown the qualities needed to ensure team unity and enthusiasm. There is also optimism amongst the team because it has become obvious that this year's team is strong, potentially very strong. As a goal, the team would like to be seen not only as a dedicated and distinguished baseball team, but as a dedicated and determined Cathedral baseball team, which is not easy, because of CHS's fine baseball tradition.

FRESHMAN BASEBALL — ROW 1: W. Stark, G. Feddema, G. Koshel, J. Ramler, B. Dunn, P. Murphy, M. Gaetz, G. Behl, G. Stang; **ROW 2:** Coach Al Keopp, P. Lauerman, R. Bankroft, D. Schmidt, B. Muescelevich, B. Schoenborn, J. Althaus, M. Ludwig, and L. Stockinger.

ROW 1: J. Poganski, N. Sowada, C. Albers, M. Sobieck; **ROW 2:** S. Wentzell, B. Shears, P. Stang, J. Althaus, K. Hengel; **ROW 3:** Coach T. Loesch, J. Rausch, M. Bauer, L. Schmit, S. Goodrum, and J. Eversmen.

The edition of the Crusader softball team is undergoing a great deal of change. First of all, the graduation of some key players has led to a lot of openings for a corps of young hopefuls. Led by senior captains Cheri Albers and Nancy Sowada, this year's team has a great deal of undeveloped potential. Another change is the addition of new Coach Theresa Loesh. Under her direction, the Crusaders hope to have a winning season while having a good time.

ROW 1: K. Stock, M. Keber, A. Hagen, M. Grebinoski; **ROW 2:** M. Beckman, P. Bauer, S. Lahr, S. Rieder, J. Rooney; **ROW 3:** M. Marczak, K. Sis, A. Weitz, D. Dingmann, J. Mohs, A. Jansen, L. Terwey, K. Zimmer, and Coach S. Wielinsky.

This year the tennis team was looking at a real challenge. Since it had lost a lot of last year's starters, it got off to a slow start. With this in mind, the team's goal was to have as much fun as possible.

With this type of a team, only improvement could take place, and that's exactly what happened. The tennis team wrapped up with a strong finale at the end of the season. At first singles was Bruce Steinbrook; second singles Mike Blocher; third singles Scott Hoelscher. First doubles Mitchel Bates and Mike Ross and second doubles Greg Levandowski and Peter Kenefick.

The 1983 Girls' Track team started off well, with a victory at the first meet and the Conference Indoor Meet. It was a year full of optimism and hopeful goals.

They were led by second year coach Mr. Fasching and their new assistant Debby Trantina. The team depended on the strength and leadership of the upper classmen and depth from the underclassmen. They showed much spirit and team unity throughout the season.

Class of '85

We the Junior Class of '85 have managed to slide through another year at CHS. We've come to know one another better and have formed a special bond that we, as a class, will let nothing sever. Our friendships have grown and have become something we will treasure always. Our junior year holds many memories for us. Mostly those of jubilance and laughter. However, we have had our tough times where we were able to show our true togetherness. As we end our year, we look forward with excitement to continuing our class spirit by setting examples of what Cathedral stands for: UNITY!

Class of '86

The Class of '86 completed another successful year with many surprises. In addition to our regular trials of dealing with a maniac biology teacher, finding the ratio of six-sided polygons, and learning how to speak and write all over again. We managed to get our float kicked out of the parade and learned a few rules to break, like rule No. 9. Even though our year has been eventful, we'll keep looking for bigger and better experiences.

FRESHMEN

Class of '87

The 1983-84 Freshman Class came into CHS with many new challenges and experiences facing them. Not only was there the inevitable initiation, but new friends, classes and buildings were put before us as well. We did prove we could handle it though by settling down, pretty quickly and strategically avoiding all seniors whenever possible.

As for activities, there were the usual first dances — Homecoming - Sno-Daze. For homecoming, our float barely made it, but after it was finished we must say we were proud. This year's Freshman class also proved that we had spirit. At any sporting event we could be heard cheering and once in a great while get people to actually join us. There were many other memories we'll hold on to and we know there will be many more. We hope to make the best out of our next three years here at CHS.

One of the strongest department here at CHS is English, thanks to the four veterans composing it. Freshmen drill the basics with Mrs. Pepper, while Sophomores learn to communicate with Mr. Backen. Juniors and Seniors are offered a variety of choices with Mr. Karn or Mr. Cushman. Inevitably, Crusaders graduate with a sound background in English.

Language Department

Sister JoAnne O'Connor, Michaela Fuchs,

Miss Dawn Tommerdahl

Cathedral's Foreign Language Department offers three major languages of the world. Sr. Michaela Fuchs teaching French, Sr. Joanne O'Conner teaching Spanish, and Miss Dawn Tommerdahl teaching German, helps the students keep up with the increasing importance placed on foreign languages today. Science: a broad term encompassing studies in Biology, Geology, Astronomy, Chemistry, etc. . . . etc. Cathedral's Science Department offers all of these and many more. For Life Science, on eturns to Mr. Rupp, Sr. Jeanne Marie Lust, and Mr. Draper. If the mad scientist is more your style, Mr. Klein's Chemistry class is for you. For those of you who like to learn about God's green earth, Mr. Draper and Mr. Zirbes have all the info you'll need. Lots of variety lets students find their niche in CHS's Science Department.

Mary Hille

As students prepare for Living On Their Own, our Home Economics Department helps in the practical aspects of life through the leadership of Mrs. Peggy Imholte and Mrs. Hille. Our foods department prepares tasty dishes and the clothing class produces clothes and other homemade items. Living On Your Own, Child Development, Clothing, Advanced Clothing, Foods, and Foreign Foods are all classes offered through the Home Economics Department.

Health Department

Mr. Bob Bjornstad is the one and only leader of the Health Department. Mr. Bjornstad has much interest in the Health area; his creativeness and enthusiasm is what makes his classes so great. This Health class studying child abuse used eggs as their children. Each student was responsible for their baby. If the egg was dropped or cracked, this was a form of abuse. This was just one of the many things taught in this class. Health is found very interesting because you're taught what is good and bad for your body and also what your limitations are. Nice bulletin board!

Phy-Ed is the most unforgettable class. This is where you can let out physically all the frustrations of the day and do this by having a great time. Steve Johnson and Norma Dobbs lead the crew of kids with a variety of sports such as volleyball, baseball, basketball, whippleball, and dancing. This thrilling class has many memories to be remembered.

Mrs. Diane Brady, Mr. Tim Jarnot, Mrs. Del Sexton

Our dedicated Music Department has a lot of spirit and enthusiasm. They always seem to throw a smile on your face. This crazy group of people are Tim Jarnot, Del Sexton, and Diane Brady. These people provide us with an excellent and spirited music department. Each year the music department grows by offering the students many classes such as Concert Band, Mixed Band, Jazz and Dixie Bands, Concert Choir, Mixed Choir, Freshman Choir, Popsingers, Rock 'N Roll Revue, Dance Band, Jazz Singers, and the Faculty Band. At the helm of Cathedral High School are two people, Chief Administrator Larry Jablinski and Principal Paul Wenner. Through their leadership, Cathedral continues to improve academically and spiritually each year.

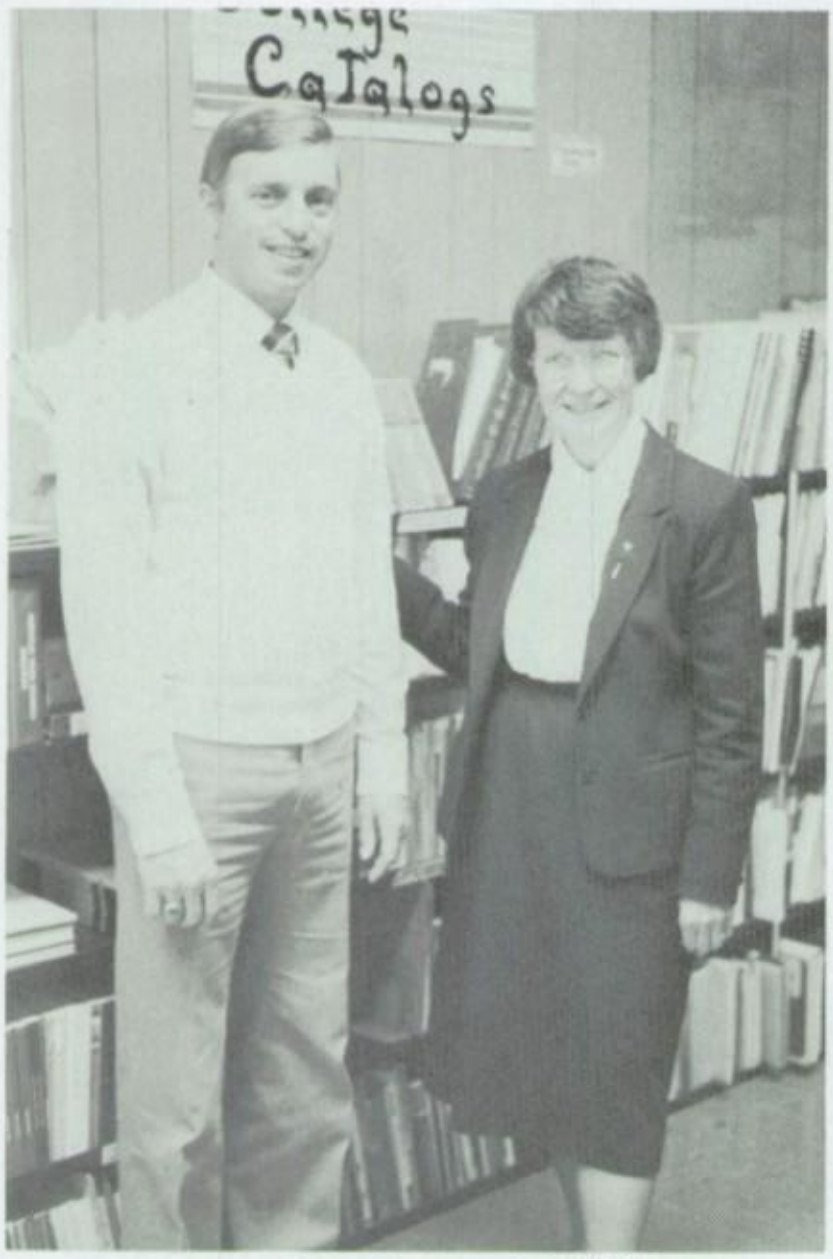
Business Manager Ann Van Nurden works hard on all the fun stuff. A lady like this deserves a gold medal for all her dedication at her job.

Guidance Office



Alan Koepp, Pat Hill

Lorraine Wenner

A strong guidance department is important to students for keeping the present organized and planning for the future. They are always ready to re-schedule, advise or just listen.

Attendance Director

Erma Kraemers

There is one person at Cathedral who sees to it that people are where they are supposed to be. This, of course, is Mrs. Kremers. Her efforts help make us responsible and punctual in preparation for our future.

Secretaries

Lynn Marquardt, Sue Ligeros, Denise Weis

Hello?!?!

These dedicated individuals are the only ones who really keep everything going smoothly. They keep up with dozens of jobs and still keep a friendly smile on their faces.

Development Office

Bill Wick, Lynn Marquardt

Mr. Wick's first year as development director has been filled with organizing fundraisers, communicating with alumni, publishing various papers, and snapping pictures at school events. His efforts in public relations have been much appreciated.

Athletic Director

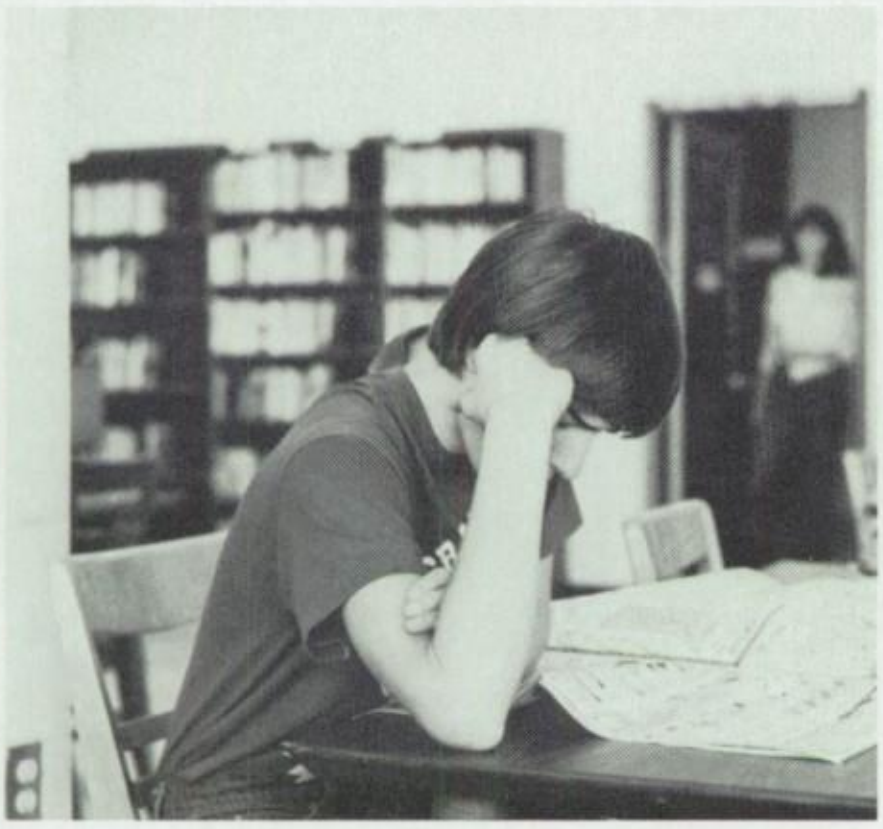
Jim Michaud

Our athletic director at CHS, Jim Michaud, has a tricky job on his hands. He has to set up schedules for games and practices, arrange transportation and much more for a full range of girls and boys athletics.

Library

Barb Bestig, Clarita Calasanz

Keeping the library and the resource centers a quiet, working place is no easy task, but our librarians always manage to rise to the occasion with threats of "out for the quarter!" Without these people, who knows how much work would never have been done?



Custodians

Melvin Schroeder

Donald Wierman

Warren Valentine

Dennis Selix

Merline Selix

The dedicated work of our custodians often goes unnoticed, but it wouldn't take long to notice the results if it didn't get done. They have plenty of work on their hands keeping our school clean and in working order. We all appreciate the job they do.

Cooks

COOKS — Doris Koprek, Jeanne Lenzen, Nina Muntifering, Jo Spaeth, and Mary Jane Gangl.

Every day from 10:45 to 12:45, our Cafeteria is crowded with students taking time out from their studies to eat their lunch. Behind this scene, keeping the menus balanced and the lines moving smoothly are our cooks. A good meal at noon helps prepare everyone for a tough afternoon at school.

SPEECH

A Statewide Smile.

The waiting is the hardest part.

Oh, No you don't!

The 1984 Speech Team was loquacious indeed. Every member gave their all throughout the nine week season.

The number of competitors the Speechers met ranged from as high as 900 people back down to 100 people at each of the weekend tournaments. The Speechers showed their superiority by advancing 19 members to Regions. Those who moved on to compete at the State level were Helen Borman and Jim Doran .

DEBATE

Oh, Please, Ben!

Can you believe her?

The new coach was German teacher Ms. Dawn Tommerdahl who was the guiding force behind all the Debaters. She says of the team, "We weren't out to win trophies, but to learn." They did learn a lot, especially about the judicial system which was what this year's topic was all about.

The team put the skills and knowledge to good use. Varsity Debaters Linda Hoolihan and Julie Petrik took third place at the Regional tournament, thus advancing to the State meet.

Crusader

The Crusader, Cathedral's quality newspaper, has once again achieved journalistic excellence under the watchful eye of adviser Fr. Lauren Germann. Editors Kathleen Anderson, Ben Haeg, and Marian Bender added many new characteristics to the dependable publication such as a new logo, new cover design, and additional features. This year's Crusader was an overwhelming success!

Caedmon Song

Mr. Bob Karn, Laura Neeser, Kathy Maurer

Ecstasy in Birdland

The ball longed for the sky,
Sailing, what seemed to be forever,
Across the water-colored universe,
Controlling in it the destiny of all.
It, in itself, is the conflict.
The difference between winning and losing.
Happiness and sadness,
Life and death.
Falling now, ever so slowly
Upon the watchful eyes of many
Descending upon the impatient glove of the outfielder.
Its disappearence could only mean one thing,
Sudden ecstasy in Birdland.

Dave Hengel

The Caedmon Song was put into publication by this year's editors, Laura Neeser and Kathie Maurer, with adviser Mr. Bob Karn. Caedmon Song gets its title from an English poet of the late 600's by the name of Caedmon. This sons, the only authentic poem Caedmon left, praised God in the heroic tradition of Anglo-Saxon poetry.

Pep - Club

Without pep, Cathedral wouldn't be the same. Pep Club tries to keep people peppy. The club consists of essentially four officers — Carla Stark, Joyce Laundenbach, Jenny Hughes and Cherl Albers. Although there are no Pep Club members as such, dedicated volunteers provide invaluable support. The officers and volunteers did their best to support each team and individual sport by providing weekly posters and buttons. They also sponsored each parents' night and bought carnations for district competitions and individuals going to State. Pep fest are each planned, set up and executed by the officers. The Pep Club has done a good job creating peppy people at CHS this year.

National Honor Society

The National Honor Society wants membership in the organization to be more than just a distinction, so traditionally members at Cathedral have been involved in community service.

Forms of service have included teaching religion at Cambridge State Hospital, working in the school store, tutoring other Cathedral students, being a preschool teacher or teacher's aid for parish religion classes, teaching skating, civil air patrol or being a 4-H junior leader.

ROW 1: S. Wenner, B. Haeg, M. Bender, M. Calansanz; **ROW 2:** N. Sowada, J. Petrik, A. Marquardt, J. Goodrum, S. Eveslage, J. Hughes, B. Hoelscher, C. Stark, L. Neeser; **ROW 3:** B. Rice, B. Stainbrook, D. Wieber, M. Blocher, T. Hughes, S. Guggenberger, M. Levandowski, J. Pundsack, M. Gleisner.

Learning about our community's business activities provided these students with a new and rewarding type of fun.

Distinguished: The Webster's New Twentieth Dictionary defines it as "to indicate difference in by some external mark; to set apart as distinct. Twenty-nine students in the senior class seem to fit this definition according to the Society of Distinguished American High School Students. The students have received this honor on the basis of above average academic excellence and leadership in extracurricular and civic activities. The purpose of the society is to recognize top achievers and to encourage other students to excel.

Rotarians

As Junior Rotarians, another selected group of seniors had the opportunity to learn about local businesses and their activities. They shared in the weekly meetings held at the Sunwood Inn and became more aware of community business in an interesting and fun way.

"This is all the fun there is to be had. . . . I can only show a smile to all this fun!"

This yearbook will for sure be one to remember. Not only is it the best yearbook done by the best yearbook staff but it's also the latest yearbook in CHS history. There's no use listing excuses because alot of unique things happened and there are many reasons why this book is late. As being a part of the Cathedralite staff you never really realize all the time that is demanded. Yes, lots of time, hours and endless fun; a challenging job thought by all! The Cathedralite staff would like to THANK T.K. Thomas Kolbo for his dedication and hard work towards this book. Even in the worst of times his sense of humor brought out a smile to our faces and motivated us on. The staff would like to apologize for the yearbook being so late. Hopefully the quality of this yearbook was worth the wait. Best of Luck to the future editors and staff. Sincerely,

The Cathedralite Staff
